PASTOR'S ANNIVERSARY MESSAGE

REV. DR. DARRELL L. ARMSTRONG D.D.

Dear Shiloh Family & Friends:

Today we are proud to celebrate the 146th Anniversary of our historic congregation, the Shiloh Baptist Church. Trenton's first and oldest Black Baptist Church. On this, our 54th year in the "new Church," we reflect on Shiloh's journey through the years. Years where it has stood on faith and the foundation that was laid back in 1880, to share the word, to teach the word, to shepherd the people of GOD, to build community, all as we move toward "a greater glory."

In 1880, Trenton residents organized the First Colored Baptist Church of Trenton, which was later incorporated in 1897 and today is known as the Shiloh Baptist Church of Trenton. We celebrate both dates as seminal dates in the history of our congregation. GOD has used the leadership and membership of this "Branch of Zion" to do a wonderful service in and around the Greater Mercer County Area. Shiloh has continuously focused on our spiritual development and discipleship as well as, has led in areas of community development, neighborhood revitalization, equity in education, health care, housing and employment.

I want to thank the members of our Church Anniversary Committee, led by the Anniversary Chair, Trustee Harriet L. Murray and Committee Members Addie Daniels Lane, Anne Horne, Lorraine Cooper, Mitzi Hightower Teel and Wayne Teel. Sincere gratitude is extended to all ministries that have contributed to our 146th Church Anniversary Celebration. These ministries include but are not limited to our Throwback Choir led by Brother Derrick Davis, our musicians, Ushers, as well as Sandra Osorio and Catalina Lopez for publication of this Souvenir Booklet.

As you flip through these pages, know that we celebrate our past, acknowledge our present and press on toward the future with GOD on our side and with us on GOD's side! PRAISE GOD for 146 years of worshipping, praising, studying and holding up the bloodstained banner!

In Christ and for His Kingdom,
Pastor Darrell L. Armstrong

A MESSAGE FROM THE 146TH CHURCH ANNIVERSARY COMMITTEE

Welcome to our 146th Church Anniversary Celebration of Shiloh Baptist Church, the Church of the Open Door Where the Word of God is preached with the Power of the Holy Spirit. Shiloh is recognized as the Oldest Black Baptist Church in the city of Trenton.

146 years and we are Still Standing and Still Serving. Still Standing on the promises of those who came before us. Still Standing because we know and believe that "Jesus is the Light of the World." Still Serving because we know that we are "Our Heavenly Father's Children and He Knows just how much we can bear."

We were founded in 1880, seventeen years after the Emancipation Proclamation was signed by President Abraham Lincoln on January 1, 1863 and fifteen years after the 13th Amendment to the Constitution abolishing slavery became effective on January 31, 1865.

We are deeply honored to commemorate this significant milestone in the history of our Church. Throughout these 146 years, Shiloh Baptist Church has served as a beacon of hope, offering spiritual guidance, Christian Love, and a welcoming community for all who enter its open doors.

Anniversaries are opportunities to Give God the Glory for another year in his service. We are indeed humbled to celebrate 146 years and honored to celebrate our Pastor's 26th Anniversary of service to Shiloh.

Shiloh continues to celebrate our centenarians, Mother Vera Williams who is 104 years young and Trustee George Palmer who is 101 years young. Continued Blessings to them.

The Anniversary Chair, Trustee Harriet L. Murray and Committee Members Trustee Chair Addie Daniels Lane, Technology Director Wayne Teel, Trustee Anne Horne, Sister Lorraine Cooper, and Trustee Mitzi Hightower Teel would like to express our gratitude to all who contributed to our 146th Church Anniversary Celebration. A special thank you is extended to our Throwback Choir under the direction of Brother Derrick Davis, our musicians, Deaconess Pearl Lawrence, Deaconess Peggy Bingham, Shiloh Ushers, and Sandra Osorio and Catalina Lopez for publication of this Anniversary Booklet.

Shiloh has reached a significant milestone as we celebrate our 146th Church Anniversary. We are truly humbled that God has allowed us to "Come This Far By Faith." We stand in solidarity and unity in reaching this milestone. May God continue to Bless and Keep our Pastor and Congregation as we remember and reflect on 146 Years of Still Standing and Still Serving. To God Be the Glory.

Happy 146th Church Anniversary Shiloh!

Blessings,
The Anniversary Committee

SHILOH BAPTIST CHURCH
"ALIVE AND WELL, CELEBRATING A 146 YEAR HISTORY"

Shiloh Baptist Church has a long and rich history. This year Shiloh Baptist Church celebrates 146 years in existence and 129 years of incorporation under the name of the Shiloh Baptist Church. Shiloh is considered to be the city's oldest African American Baptist congregation. Where and how did it all begin? According to early records, the first groups of Black Baptists were formed in the city around 1880. At that time, the groups formed what came to be known as the First Colored Baptist Church of Trenton. In 1888, under the pastorate of Reverend C.A. Berry, it was renamed the Berean Baptist Church and was located at 118 Perry Street in Trenton. The congregation was very mobile in those days and the church occupied several buildings. At one point they met in a hall on South Broad Street, and were permitted at another point, to meet in the old City Hall located on the corner of Broad Street. They moved from there to the old Arca Hall, then located on Hanover Street, and later they met in the old firehouse on New Willow Street.

The church records reveal that following Reverend Berry, seven different ministers served the congregation. They were: Reverend James Jackson, Reverend Henry Bacon, Reverend J.C. Johnson, Reverend Gaines, Reverend Smith, Reverend Kemp and Reverend A.T. Johnson. In 1893, under the leadership of the Reverend J.B. Randolph, the church began a process of reorganization. According to the records in the County Court House that reorganization led to the church being formally incorporated under the name of the Shiloh Baptist Church on October 16, 1897. Following Reverend J.B. Randolph, came Reverend R. Kane, and then Reverend Walker, respectively, as pastors. Under Reverend Walker's pastorate, the church purchased property located at 106 Belvidere Street. When Reverend Walker resigned as pastor, the church called Reverend A. R. Satterfield under whose administration the old Shiloh Church, a one story building located on Belvidere Street was built around 1902. In 1904, the late Dr. John White assumed the spiritual leadership of the church. Under his visionary ministry, land was purchased on Belvidere and on Calhoun Streets. Construction of a new church building was begun on that land in 1915 or 1916. The new church building was dedicated for service in the spring of 1918.

This building housed Shiloh's many spiritual missions and community based programs until another visionary, the late Rev. S. Howard Woodson, along with its officers made the recommendation to begin a church building program. The increasing membership, the mounting demands for enlarged worship space and the need for community services challenged the congregation to undertake this large venture in faith. While the new church structure was being built the Shiloh congregation held its worship services at was then known as Junior High School Number 3, located on the corner of West State Street and Parkside Ave. In 1972, upon the completion of the new building (the current facility), the congregation marched from Junior High School Number Three to formally dedicate and begin a new phase in the life of the church.

One of the more prominent features and oldest artifact of the new structure is a stained glass window that frames the baptismal pool, located at the rear of the pulpit. This window served to fuse the old and the new, as it was preserved from the old church, restored and integrated into the design of the new church. The congregation quickly made the new church home and was able to satisfy its mortgage obligation by 1985. This accomplishment was celebrated with a mortgage burning ceremony held in the sanctuary. This building venture proved to be quite successful and anchored Shiloh in the local, state and national religious community.

The church through the leadership of Rev. Dr. Woodson served as a training ground for numerous up and coming ministers. Rev. Cleo La Rue, Rev. Ernest Flores, Rev. Elliot Cuff, Rev. DeForest "Buster" Soaries, and of course, our current Pastor Rev. Dr. Darrell Larue Armstrong. Rev. Armstrong came to Shiloh while studying at Princeton Theological Seminary. He was mentored by Rev. Dr. Woodson, who after 53+ years was elevated to the emeritus status in March of 1999. After an extensive search process, the Shiloh leadership and congregation elected Rev. Armstrong as the successor to Rev. Woodson. In January of 2000, Reverend Darrell L. Armstrong was elected by a 95% majority vote, and was installed as the third Pastor in approximately 100 years to lead this great church. Rev. Armstrong has provided spiritual guidance and leadership for the last 26 years. He is a staunch advocate for children and equity in education, housing, healthcare and employment.

Shiloh members past and present have possessed many gifts and talents that have been used to uplift the church and help to carry out its mission. Deaconess Mother Laura Goss-Steward's, long life of service, faithfulness, and missionary work, played out on both the domestic and international front, when she was well into her nineties. She along with Deaconess Audrey Kauffman travelled to Haiti, raised funds and was able to spearhead the building of both a school and chapel for the Haitian families. This work provided the foundation for the Haitian Mission relationship that continues today with Pastor Luc Deratus. Additionally, one of our long time members, the late Elizabeth "Betty" Carter Lacy, a noted educator, used her historical knowledge and research skills to establish what at first, was the Geraldine Carter-Bethel Library in 1972. This early church library was reorganized in 2006 as Geraldine Carter-Bethel Library Museum. Mrs. Lacy served as the Curator and maintained a collection of artifacts and memorabilia that traces the history of Shiloh.

Shiloh in the year 2026, has many current members that through their long standing memberships can provide living testimony as to the longevity of this church. Some of those members include Vera Williams, Joan Sumners, Bettye Campbell, George and Shirley Poole and Ollie Green, just to name a few. These are members who have 60, 70, and even 80 year relationships with this church. A few of these aforementioned members came to Shiloh as babies brought by their parents as early as the late 1920's and have remained as active congregants through the years.

In addition to standing tall in the religious community, Shiloh stands tall in the community for its history of social and political activism. Throughout its 146 year history, Shiloh is replete with evidence of the intricate relationship between church and state almost from its inception. This year Shiloh celebrates its 146 years of praising, serving the lord and anchoring the changing community in which it stands. It is a church that has been steeped in community activism, based on the strength and steadfastness of its longtime members and skilled leaders. Leaders, such as, Rev. John A. White, who in addition to serving as the pastor of Shiloh Baptist Church, also headed the local chapter of the NAACP. The tradition of activism intensified during the pastorate of the Rev. S. Howard Woodson, who for 53+ years anchored the church to the community and community building. Rev. Woodson, like his predecessor, was for a time President of the local chapter of the NAACP. He served as a Civil Rights leader, the first African American elected to Trenton City Council (1962), a legislator, a former Speaker of the House, a former member of the Governor's Cabinet, and as a Director of the Division of Equal Employment Opportunity and Affirmative Action. He was called upon to speak around the country and was well known as one of the ministerial leaders who was also immersed in political activism. His nation-wide engagements had him crossing paths with Rev. Dr. Martin Luther King, Jr., among many others.

The church doors have been open to host numerous community forums, rallies and leaders on the local, state and national level. Among those leaders in 2005 was then, Senator Barack Obama, who of course, went on to serve two terms as President of these United States of America. Shiloh today, continues to count among its members many local, state and national political figures.

Shiloh is again being challenged by its current pastor, Rev. Dr. Darrell L. Armstrong to expand its footprint in the community, literally and figuratively. In order to support the needs of a changing community, Shiloh formed a community development corporation, now known as the Shiloh CDC. It was established as the social service arm of the church. This organization aligns with Rev. Dr. Armstrong's keen focus on supporting children, families and community building. The CDC was designed to provide direct services to community members and links to access resources needed "to reach economic, social and spiritual stability." Shiloh has sent representatives to serve on the local boards of housing organizations in the city. Shiloh members have served on and provided leadership for the Kingsbury Board of Directors and the Board of North 25.

Rev. Dr. Armstrong, along with the leadership and congregation embarked on a plan for the building of the Rev. Dr. S. Howard Woodson Family Life Center to be located on Bellevue Ave. While the world wide health crisis of 2020, has caused the plan to be delayed, it is still moving forward. The center as planned will serve to house the offices of the Shiloh Community Development Corporation (CDC), provide educational and recreational opportunities to the families and children of the community, as well as offer other much needed support services. One of the hallmark programs of the Shiloh CDC is the Lenora Green Freedom School. The Freedom School offers an extensive 6 week summer program with after school programming during the school year to support the educational needs of the children of the community.

The year 2020 was a pivotal one in the history of the church. It had been looked to with great anticipation, as the church sought to culminate its Vision 2020 Campaign, celebrate the 20th Anniversary of Rev. Dr. Armstrong and mark the church's 140th Anniversary. 2020, however, brought with it, a number of surprises and challenges. In March, shortly after celebrating our Pastor's 20th Anniversary, the Corona Virus also known as (COVID-19) swept through the nation and was declared to be a pandemic. This pandemic interrupted church operations as we know it. Prior to the COVID 19 Pandemic the church doors were open seven days a week, during the pandemic the church doors were closed. In the period immediately following the pandemic, Shiloh, like so many other churches has had to rely on its technology and pivot to virtual worship services and drive thru programming to continue supporting the community. While the church doors were physically closed, the spirit, heart of the church and programs were virtually open.

The years from 2022–2026 saw Shiloh Baptist Church regroup and move forward. It has currently implemented a 9am Sunday service format which is offered in person as well as virtually. The average in-person Sunday attendance ranges from 100–175 worshippers, with many more joining virtually. New ministries are being implemented, among them are the Welcoming, Inclusion and Diversity Ministry. Our national and international connections are being expanded with virtual members in places like Texas, California, Maryland and Georgia; internationally our connections with our Liberian Sister Church, Providence Baptist Church led by Rev. Dr. Samuel B. Reeves continues to grow. Shiloh is expanding its programming for youth, with a growing Youth Choir, Harvest Festival Activities, and the First Youth Sneaker Ball celebration. It is strengthening its community partner relationships. ETS is a strong supporter of the Freedom School programming. Walgreens, has partnered with the church in its Community Christmas Celebration and Toy Giveaway and most recently sponsored a Vaccination clinic for the Shiloh Community.

Shiloh is continuing to "Reach Up, Reach In and Reach Out" as it builds on the strong foundation established by its ancestors and elders. It looks to the future and celebrates 146 years of sharing the word of the Lord, doing ministry and serving the community!

SHILOH'S IMPACT ON EDUCATION

Shiloh has been instrumental in advancing education in Trenton. Reverend John A. White known as "The Gentleman, The Quiet Strength, The Visionary, The Scholar, The Community Activist", was the faithful spiritual leader of Shiloh Baptist Church from 1904–1946. He was appointed in 1912 by Trenton Mayor Frederick Donnelly to serve on the executive board of the Emancipation Proclamation Commission. Rev. White traveled over 17,000 miles lecturing on race and tolerance. He spoke about employment, education, healthcare and housing concerns.

Reverend John A. White, 1870–1952

In 1922, Reverend White served as treasurer of the Trenton Colored Day Nursery at 118 Belvidere Street. Shiloh contributed funds to the nursery. The Trenton Times was also a financial supporter of the Trenton Colored Day Nursery.

The nursery was fully equipped and had a playground according to records of Shiloh Historian Betty Lacy. It served about three hundred fifty children monthly. The nursery is under the direction of a board of trustees elected annually and supported financially by contributions from the public. Officers in 1922 were: Mrs. Fannie Stewart, president; Mrs. Lena Binn, first vice-president, Mrs. Henry J. Austin, second vice president; Mrs. Louise White, recording secretary and mother of the nursery; Mrs. Martha Harvey, assistant secretary; and the Reverend White, treasurer.

Reverend White joined others in advocating for a new school for Trenton's Black children. The state-of-the-art New Lincoln School, built at a cost of one million dollars, was completed in 1924. Reverend White spoke at the cornerstone-laying ceremony in November. The Shiloh Choir, directed by Mrs. Ersalena Rodman, sang at the opening ceremony.

In 1937, Deacon Chester A. Patterson, a Deacon at Shiloh Baptist Church, filed a lawsuit against the Trenton Board of Education for the right of "colored-students" to swim with white students at the same time. Deacon Patterson won his case. His son, Thaddeus Patterson, would now be able to swim in an integrated Trenton Central High School Pool. Source: Trenton Times Newspaper. In addition, Deacon Patterson wanted to start Altar Boys at Shiloh. He asked Mrs. Philistine Chester to direct the group. He is seen in an accompanying photo with Mrs. Chester and the Altar Boys.

We are grateful and appreciative of the impact our early church leaders had on education in Trenton.
